ALS affected her ability to function but it did not take away her ability to work for improvement. As an entrepreneur, she took on living with ALS with the very same grit, fortitude, and determination that she used to build and grow her business.

These three Floridians show so much strength and hope in the face of adversity, and I thank them for their many contributions to the ALS community and to our State.

Last year, Congress passed the ALS Disability Insurance Act to eliminate the 5-month waiting period for Social Security Disability Insurance benefits for disabled workers with ALS. I was proud to support this important legislation and will keep working to support Floridians with ALS and help to fight this horrible disease on all fronts.●

TRIBUTE TO BISHOP DOUGLAS MILES

● Mr. VAN HOLLEN. Mr. President, I rise to pay tribute to a beloved pastor, an inspirational leader, and a lion for justice: Bishop Douglas Miles. He passed away on August 3 of this year at the age of 72, and I would like to take this time to honor his life and his legacy.

Bishop Miles was a lifelong Marylander, born in Baltimore City and raised in Lafayette Courts in East Baltimore. By the time he entered Johns Hopkins University as an undergraduate, he had determined that he would become a doctor and set out to earn his medical degree. He wanted to serve the weak and heal the sick. It was an auspicious career choice because, while he eventually switched majors and earned his degree in humanistic studies, Bishop Miles would commit five decades of his life to serving and to healing communities across Baltimore.

He first embarked on that mission by helping to found the organization Baltimoreans United in Leadership Development, or BUILD, where he served as cochair. In this role, Bishop Miles fought to build a better and stronger Baltimore for all by expanding job opportunities, supporting schools, strengthening neighborhoods, and improving housing. His efforts to force real action on housing at BUILD resulted in the construction of at least 767 affordable homes throughout the city over a 14-year span, and his leadership was pivotal in revitalizing the Oliver neighborhood in East Baltimore after a tragic fire that claimed seven lives.

When he wasn't pushing for progress with BUILD and the many other organizations he helped lead, including the Industrial Areas Foundation, the College Bound Foundation, and the Johns Hopkins BLocal initiative, he was run-

ning his beloved Koinonia Baptist Church, which he founded in 1992. As pastor, he used his gift for oratory and his deep religious faith to guide his congregation with spirit and grace. He was a titanic force, who could command an audience with equal vigor at the pulpit, the podium, and the policy table.

But regardless of whether he was delivering a sermon on the scriptures or leading a rally for social change, Bishop Miles always spoke his mind and lived his values fully. Just a few weeks ago, I met with him and a group of advocates about how to close the racial homeownership gap in this country and help every American achieve their full potential. He dedicated his life to holding the powerful to account and raising the voices of those who had too often been left out and left behind. I was honored to work with him over the years to strengthen our healthcare system, expand access to affordable housing, and prevent teen tobacco use, and I am forever grateful for his leadership on a host of other issues from gun violence to education to public safety to immigration. His dedication to the causes he held dear left an indelible mark on our communities, and you can find proof of his lifelong service in the countless lives he changed for the better throughout Baltimore City.

He is gone too soon, but his legacy and his spirit live on in all the Marylanders he helped shape and inspire, both as a faith leader and as an advocate for justice. Bishop Miles taught all of us what it means to live a life dedicated to serving your community, and it is a lesson we must never forget. In living, he inspired a generation to fight harder for those in need. In passing, his memory will continue to push future generations to serve and to heal, as he did.●

PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-70. A resolution adopted by the House of Representatives of the State of Illinois urging the federal government to replace Andrew Jackson with Harriet Tubman on the 20 dollar bill; to the Committee on Banking, Housing, and Urban Affairs.

HOUSE RESOLUTION NO. 54

Whereas, Harriet Tubman was born Araminta "Minty" Ross in the early 1820s in Dorchester County, Maryland; she was enslaved at a young age and began working the field by harvesting flax at age 13; and

Whereas, Harriet Tubman escaped when she was around 27 years old; she walked the nearly 90 miles to Philadelphia, where she took jobs as a domestic and cook and spent summers working in Cape May, New Jersey; and

Whereas, Harriet Tubman returned to Maryland approximately 13 times to rescue as many as 70 enslaved people through the Underground Railroad, which was a network of escape routes and safe houses organized by Black and white abolitionists; she claimed she never lost a passenger; she gave instructions to 70 others who found their own way to freedom; and

Whereas, If Harriet Tubman had been caught, she would have faced physical punishment and been sold back into slavery in the Deep South due to the 1850 Fugitive Slave Law; and

Whereas, During the Civil War, Harriet Tubman worked for the Union Army as a scout, spy, guerrilla soldier, and nurse; this makes her one of the first Black women to serve in the military; and

Whereas, After the war, Harriet Tubman became involved in the campaign for women's suffrage along with Elizabeth Cady Stanton and Susan B. Anthony; in 1859, she purchased a home in Auburn, New York and established it as a home for the elderly; and

Whereas, Harriet Tubman died in 1913 and was buried with military honors at Fort Hill Cemetery; and

Whereas, In 2014, President Barack Obama launched the effort to get Harriet Tubman

on the \$20 bill after receiving a letter from a girl from Massachusetts saying women should appear on currency; and

Whereas, In April of 2016, President Obama announced that Harriet Tubman would be replacing President Andrew Jackson on the \$20 and that Jackson would be moved into a scene of the White House on the reverse side; and

Whereas, For years, critics have called for Jackson to be removed from the \$20 bill because of his legacy of supporting the institution of slavery, having owned 95 enslaved people months before he became president and bringing 14 of them to the White House, and for his role in the forced, violent transfer of tens of thousands of Native Americans from the South on what became known as the Trail of Tears; and

Whereas, The new design was initially scheduled for 2020 but stalled under President Trump who called the move "pure political correctness" and said that Jackson "had a great history"; and

Whereas, No women or people of color have ever been pictured on a denomination of currency still in circulation; therefore, be it

Resolved, by the House of Representatives of the One Hundred Second General Assembly of the State of Illinois, that we urge the federal government to replace Andrew Jackson with Harriet Tubman on the \$20 bill; and be it further

Resolved, That suitable copies of this resolution be sent to President Joe Biden, Vice President Kamala Harris, the Majority Leader and Minority Leader of the United States Senate, the Speaker and Minority Leader of the United States House of Representatives, and all members of the Illinois Congressional delegation.

POM-71. A joint memorial adopted by the Legislature of the State of Idaho opposing the removal or breaching of the dams on the Columbia-Snake River System and its tributaries; to the Committee on Environment and Public Works.

SENATE JOINT MEMORIAL NO. 103

Whereas, the Idaho Legislature recognizes the Columbia-Snake River System as part of the United States Marine Highway network; and

Whereas, the Columbia-Snake River System and its tributaries, collectively and in its entirety, are a multiuse system providing navigation, transportation, fish and wildlife habitat, recreation, hydropower generation, flood control, and irrigation to the citizens and industry of the Pacific Northwest; and

Whereas, the Columbia-Snake River System and its tributaries provide a vital contribution to the well-being of the State of Idaho and to the quality of life of its citizens, being among the most operationally important and cost-effective projects in the Federal Columbia River Power System; and

Whereas, a balanced river system produces economic benefits like jobs, trade, and renewable electricity while caring for environmental values through good management practices and reinvestment in our natural resources; and

Whereas, no amount of money can replace the lifestyle and economies of the communities that depend upon the Columbia-Snake River System's hydropower, navigation, irrigation, flood risk management, recreation, and municipal and industrial water supply benefits; and

Whereas, the State of Idaho reasserts and confirms sovereign control over all water resources within the state; and

Whereas, the decline of anadromous fish is due to many factors, including increased predation, unfavorable ocean conditions, and harvest levels; and
